- Mahango Game Reserve & Caprivi Game Reserve, Kwando
- Tsodilo Hills: Rock paintings & hiking to explore the bushman paradise

The Barakwena Bushman Trail is the ultimate safari trail on offer. This trail focuses on the waterways that feeds the Okavango River. We focus on the waterways and spend most of our time in search of the people and wildlife of these pristine waterways of Caprivi and Botswana. This circular route follows the steps of David Livingstone and the San Bushman. This is truly a focus on the lifeline of the kalahari basin and its people.
